Northwind Labs Employee Handbook

Working Hours and Attendance

Northwind Labs follows a hybrid working model. Employees are expected to work from the office at least three days per week, and teams agree on their shared office days with their manager.

Core collaboration hours are 10:00 to 16:00 IST, Monday to Friday. Outside core hours, employees may plan their day flexibly as long as they complete a standard 40-hour week.

Attendance is recorded automatically through the office access card. If you forget your card, inform the front desk so your attendance can be marked manually on the same day.

Leave Policy

Every full-time employee receives 18 days of paid annual leave per calendar year, credited monthly at 1.5 days per month. Employees also receive 8 days of paid sick leave per year and 12 company-declared public holidays.

Up to 10 unused annual leave days can be carried forward into the next year. Any balance above 10 days lapses on 31 December and is not paid out.

Planned leave must be applied for on the HR portal at least 7 days in advance. Sick leave longer than 2 consecutive days requires a medical certificate.

New parents receive 26 weeks of maternity leave or 4 weeks of paternity leave, which can be taken within six months of the child's birth or adoption.

Remote Work and Equipment

Each employee receives a company laptop on their first day. Laptops must have full-disk encryption enabled and must be returned within 5 working days of the last working day.

Employees receive an internet reimbursement of INR 1,500 per month, claimed through the expense tool with a copy of the bill.

Working from another country is allowed for a maximum of 30 days per year and needs written approval from both your manager and the HR team before travel.

Code of Conduct and Reporting Concerns

Northwind Labs has zero tolerance for harassment, discrimination or retaliation. Every employee must complete the code of conduct training within 30 days of joining and renew it every year.

Concerns can be reported to ethics@northwind.example or through the anonymous ethics hotline. Reports are reviewed by the Ethics Committee within 10 working days.

No employee will face any negative consequence for raising a concern in good faith.
